Remarks

Welcome to Lake Victoria Association where privileges include access to a beautiful all-sports lake with a boat launch just minutes away. This one owner, quaint 3 bedroom, 2 bathroom ranch was refreshed for next owners with a new roof (2026), new flooring (2026), whole-house generator (2025) and its interior repainted! The basement area has tons of potential and can add double the living space if finished. The City of Laingsburg is vibrant with restaurants, park areas, festivals, and other events where the community comes together. The Michigan State Park, Sleepy Hollow, is close by for additional recreational activities. Schedule your showing today!
